TRACK OF TRUST

NH 100

NH 100 Progreen is a free rolling trailer tire specifically designed for fuel efficiency. It provides exceptional wet grip performance. Its strong carcass structure ensures longevity and reduces irregular wear.

ALL SIZES

INDEX

215/75 R17.5	135/133J
235/75 R17.5	143/141J
245/70 R17.5	143/141J
245/70 R19.5	141/140J
265/70 R19.5	143/141J
285/70 R19.5	150/148J

PATTERN PROPERTIES

Five circumferential blocks provide excellent cornering stability.

Special angled circumferential grooves minimize pebble penetration while allowing quick and efficient water drainage.

Optimized pattern design and specially developed tread compound decreases fuel consumption.

Excellent carcass structure is suitable for retreading several times.

Z-shaped block and zigzag structure provides excellent handling on wet road.

EU LABEL

POSITION / APPLICATION

SH 100

SH 100 is a free rolling trailer tire. Tread pattern geometry is optimized to deliver steering and grip on wet roads. Exceptional carcass structure provides outstanding braking performance.

INDEX

141/140J
143/141J
150/148J

PATTERN PROPERTIES

Computer designed tire profile and block arrays offer safe and balanced driving.

Excellent carcass structure is suitable for retreading several times.

Optimised tread design provides resistance against irregular wear by balancing the pressure equally under load.

Offers excellent grip and short braking distance with numerous sipes and z-shaped circumferential blocks.

Special tread compound and robust structure ensure longevity and economic fuel consumption.

Circumferential grooves discharge water quickly and efficiently.

EU LABEL

Average values from all sizes of this specific model.

POSITION / APPLICATION

NZ 300

NZ 300 is a free rolling trailer tire. Its special pattern design enables exceptional wet grip. Optimised tread area provides resistance against irregular wear. Strong carcass structure is resistant to cuts and stone retention. Its special compound promises longevity.

ALL SIZES	INDEX
385/55 R22.5	160K
385/65 R22.5	160K
385/65 R22.5	164K
435/50 R19.5	160J

PATTERN PROPERTIES

Optimized tread design provides resistance against irregular wear by balancing the pressure equally under load.

Five circumferential ribs provide resistance against irregular wear.

Lateral sipes provide short braking distance.

High-strength carcass with completely steel frame provides long life and retreadability.

Circumferential grooves drain water quickly and efficiently.

POSITION / APPLICATION

NZ 305

NZ 305 is a free rolling trailer tire. Special tread design provides exceptional grip on wet roads and ensures outstanding mileage performance.
